

Kayaking in the Weedon Island Mangroves.

Since we all had fun kayaking in the mangroves, we decided to go to
Weedon Island and kayak there,

**TUESDAY, MARCH 23, 2021 at the Weedon Island kayak docks at 1 PM. High tide is 3:30 PM,
so we should do well.**

The kayak dock is adjacent to the fishing pier at the end of Weedon Drive NE. There are kayak rentals nearby. Call the rental company at 727-570-4844 to reserve a rental. Be sure you have your rental kayak by the meeting time.

Bring snacks, drink, hat, sun screen and bug spray.

If there are any questions, give me a call. Sign up at the DBC website or facebook group.
